Important Dates

Oh the places you'll go!

"The more that you read the more things you will know. The more that you learn, the more places you'll go."

-Dr. Seuss

This is our final full month to get our students as prepared as possible for the AZ Merit state testing. This will begin as soon as we come back from Spring Break. As much as possible, please have your student here and on time so they do not miss out on important academic learning.

We have many things going on this month throughout the school day as well as extra, after-hours and even weekend events.

Please look through this newsletter for important and upcoming events.

Thank you,

Linda McCormack
