WORK HARD, PLAY HARD

January was an extremely busy month and it doesn't look like it is slowing down any! Our re-enrollment ended Friday and open enrollment begins today. If you forgot to turn in your re-enrollment, please do so as quickly as possible so you don't lose a seat with us for the 2020-2021 school year.

We would like to say a HUGE thank you to our parents, students and teachers who support and participate in all of our events. Last month, we had our students dress up like 100 year olds for the 100th Day of school, our Book Fair, Literacy Night, our school Spelling Bee, and a few exploration days.

This month, academics will continue to be our focus and yet we still have quite a few activities planned in this short month.

Please look through this newsletter for important and upcoming events.

Have a great February!

Thank you,

Linda McCormack
Coordinator for Instruction
