COPA & FERPA

THE CHILDREN'S ONLINE PROTECTION ACT (COPA) POLICY ADOPTED TO CONFORM TO FEDERAL STATUTE

The Children's Online Protection Act (herein after COPA) details what the AmeriSchools Academy (hereinafter Academy) as a website operator is to include in a privacy policy that protects the health and safety of children. The following policy subsections mirror the COPA statute provision.

COLLECTION OF PERSONAL INFORMATION

Students and individual family members may be asked to provide personal information at any time in using online services provided by the Academy. Personal information may be requested from students that currently attend, have previously attended, applied to attend or are interested in website services. The collection of personal information purposely directs attention relevant to academic and social activities sponsored by the Academy, including auditing and data analysis functions.

OP-OUT

Individuals participating in website services are to contact the Business Office at any time to update or change personal information or op-out of website participation.

COMMUNITY PRIVACY

As members of the learning community of the Academy, personal information may be shared with other community members. The online and print directories are examples of points of contact. Athletic and club mailing lists are additional examples. Such information is proprietary for the Academy, not to be utilized for personal gain, sold or transferred to a third party and not to be used beyond the context of Academy related functions. As a means to fully comply with COPA provisions, all communications by members of the learning community are to be treated as confidential.

DISCLOSURE OF PERSONAL INFORMATION TO THIRD PARTIES

The Board for the Academy clearly adheres to COPA and a parallel document referenced as Family Educational Rights and Privacy Acts (FERPA). Each document contributes to the protection of personal information and the dissemination of such information permissible by law. Documents containing personal information are exemplified as registration materials, health form documents, academic assignments as well as third party vendors selectively providing services requested by a parent or an Academy staff member. Online website operators must clearly abide by the COPA and FERPA statutes. Each document clearly mandates legitimate educational interests and the protection of personal information of all children attending the Academy.

As a means to fully comply with COPA provisions, the Board requires an op-in permission document for all students under thirteen years of age participating in online instruction. Parent permission is to be instituted in an appropriate form as part of the registration packets utilized to enroll students. Reasonable accommodations are to be instituted for any student that is not permitted to participate in a specific online initiative. In this circumstance the parent and student are to work directly with the teacher as a solution to the parent's choice.

ANSWERS FOR QUESTIONS CONCERNING COPA AND FERPA STATUTES

Answers relating to federal statutes protecting personal information are to be addressed by contacting the Business Office for the AmeriSchools Academy, 1150 North Country Road, Suite 100, Tucson, Arizona 85716, phone number 1-520-296-1100 and E-mail address: ctowner@amerischools.org.

Parent/Guardian must sign the Parent Signature Page before students online computer instruction.

AMERISCHOOLS ACADEMY

ATTENDANCE POLICY

Admission, Placement and Attendance

Admission and placement policies for students are fully developed in the Policy Handbook. Please reference this document for a complete reading of these policies, therein referenced for accuracy, communicating admission requirements and placement of students.

I. Admission

- Admission for each student is Non-Discriminatory regardless of an individual's condition or ability.
- Admission to the Academy is prescribed by statute, A.R.S. §15-184, which includes:
 - (1) submitting an application according to defined capacity limits prior to the application deadline; and
 - (2) meeting the age requirement (age 5 prior to September 1ST).
- After the deadline for admission, students are to be placed on a waiting list in chronological order. Wait listed applicants numbered in excess of capacity limits are to be chosen by lottery for admission during the first week following Labor Day recess.a

II. Placement

Capacity Limits

- Capacity limits are set annually by the Chief Executive Officer or designee for each site prior to the start of each academic year. These limits are controlled by the instructional needs of students, providing direction for the non-graded academic programs. (See application deadline above).

Placement

- Placement in each academic program, class, grade level or building occupied by students with varying instructional needs determines capacity limits. Successful placement directly relates to high standards for academic and behaviors of students.

III. Attendance

- The law requires children between the ages of 6 and 16 to attend school during the hours a school is in session. Attendance is mandatory, being necessary for instruction and achievement as determined by the education standards in Arizona.
- By law, Arizona Revised Statute §15-803, excessive absences are those that exceed 10% of the attendance days for instruction. Students under the age of 16 may ONLY be withdrawn from school after ten consecutive unexcused absences from school.

Parent/Guardian must sign Parent Signature Page that you have read and understand Policy.
