A letter from the Principal

Dear Parents/Guardians,

As we approach the month of April, the AASA Arizona State Test for students in grades 3-8 will be taking place.

This is the time when our scholars will have the opportunity to showcase their learning and skills acquired throughout the 23-24 academic school year. The AASA Arizona State Testing serves as a valuable assessment tool, allowing us to gauge the academic progress of our students and identify areas for growth and improvement.

All students must be present and prepared for these assessments. Your support in ensuring your child's attendance during the testing period is greatly appreciated. Consistent attendance is vital to the success of our students, and we are confident that with your cooperation, they will excel in demonstrating their knowledge and abilities.

We understand that standardized testing can sometimes be a source of anxiety for students, but we want to reassure you that our dedicated teachers and staff have been diligently preparing your child(ren) for success. We have created a supportive and nurturing environment where students feel empowered to do their best.

As partners in your child's education, we encourage you to continue providing them with the necessary support and encouragement during this time. Remind them of the importance of these assessments and encourage them to approach them with confidence and a positive attitude.

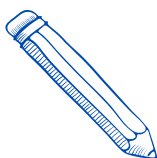

If you have any questions or concerns regarding the upcoming AASA Arizona State Testing, please do not hesitate to reach out to us. We are here to support you and your child every step of the way.

Thank you for your continued partnership and commitment to the success of our students. Together, we can ensure that our scholars reach their full potential and achieve academic excellence.

Sincerely,
Valerie Cervantez,
Principal AmeriSchools Phoenix

Tips For Test Day Success

- 1. Get Organized - Set out all clothing, eyeglasses and school supplies the night before. Make sure netbooks are charged and ready to go.**
- 2. Get a good night's sleep - School aged children should get around 9 hours of sleep every night.**
- 3. Set your alarm clock - make sure you give yourself plenty of time to wake up and have enough time to get ready.**
- 4. Eat breakfast - Eat a protein-filled breakfast to fuel your day.**
- 5. Get to school on time - Make sure you leave your house with plenty of time to get to the school without rushing.**
- 6. Be positive - Encourage a positive attitude and speak positive words.**
