Letter From the Principal

Dear School Community,

I am thrilled to introduce myself as your new principal. Hailing from the great state of Texas, I bring over a decade of teaching experience and a background as a Dean of Students to our school. My journey in education has been driven by a passion for student success and fostering a positive, inclusive learning environment. This winter, I will be embarking on a Master's in Education, with a focus on administration and leadership, to further enhance my ability to serve our school community. I am excited to work together to create a vibrant and supportive educational experience for all our students.

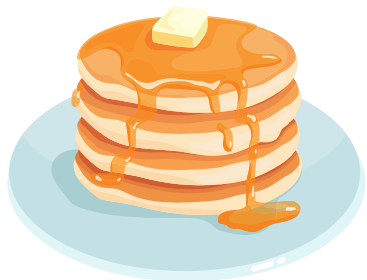

At AmeriSchools Academy Phoenix, our PBIS Core Values are the heart of everything we do. We believe in being Respectful and Kind to everyone, fostering a community where kindness is the norm. We're proud to be Unconventional, thinking outside the box to inspire creativity and innovation. Being open-minded allows us to embrace diverse perspectives and grow together. Staying Organized helps us stay on track and achieve our goals. These values drive us to create a positive and supportive environment where together, we are building a school community where everyone feels valued and empowered to succeed.

As we kick off the new school year, our students will be taking some beginning-of-the-year assessments. These are super important because they help us understand where everyone is starting from and how we can best support each student's learning journey. Think of it as a starting point to set exciting academic goals and make sure we're all set up for success. These assessments are just one way to help us get to know your strengths and areas where we can grow together. Let's approach them with a positive mindset and see them as a tool to help us make this school year the best one yet!

Warm regards, Kiara Henley

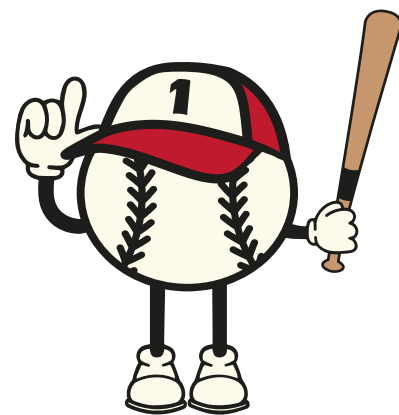

A Look Ahead to September

On Friday, September 6th, we will have a Pancake Breakfast for grandparents/special people in your student's life. Keep an eye out for the invitation flyer, which will be sent out in late August.

I'm excited to announce our first AmeriSchools Family Night with the Arizona Diamondbacks! A portion of each ticket sale will support our fundraising efforts. Lower-level seats by the dugouts are just \$19 each. Tickets are on sale now! To buy tickets, scan the QR code on the flyer. We can't wait to see you there!

Attention 8th grade parents and guardians: Save the date! On September 18th, we will be holding a High School Night. Various local high schools will be present to share information and help you make an informed choice for your student's future.

Dear Families,

Are you looking for a quick and easy way to support our school?

Box Tops for Education has been around for over 25 years, and it really can make a difference.

In fact, the Box Tops program has helped give almost one billion dollars to schools since 1996.

The Box Tops app gives participants the ability to earn for any school across the country with just the touch of a button. Plus, the Box Tops app allows you to search for schools that could use a little extra help, so you can help give students in low-income schools the opportunity to succeed.

HERE'S HOW IT WORKS: Buy participating products and use the Box Tops app to scan your store receipt. The app identifies eligible products and earnings are credited to your designated school online. Even if you're shopping online or doing grocery pickup, you can still submit your digital or email receipt with the Box Tops app and earn. Twice a year, our school gets a check!

See a list of participating products at
[BTFE.COM/PRODUCTS](https://www.btfefund.com/products)

Box Tops earnings really add up, and the more people that participate, the bigger the impact we can make. So let's give our teachers the support they need and give more kids the opportunity to succeed. **Together, we can help make a big difference.**
