A letter from our Principal

Dear AmeriSchools Families,

Thank you for a great start to the school year! We will continue to challenge our students academically and provide many opportunities for enrichment through after-school activities and community explorations.

Clubs and tutoring will be starting this month. Please be on the lookout for notices going home regarding what day/time your child is in a club. Your child may not get any clubs if there are any fees that are past due to the school.

We are already starting to see some colds and stomach sickness going around. If your child is sick, please remember to keep them home for the safety of others. If they need to work from home, please contact their teacher. If you do take your child to the doctor, remember to get a doctor's note and submit it to the front office so we can excuse the absence.

Please read the reminders and updates below and make sure you mark the important dates on your calendar.

Linda McCormack
Coordinator for Instruction

Reminders

Before and after care and preschool: Capstone Quest Academy

Our before and after school and preschool program is available from 7a.m. until 6 p.m. We have weekly rates and a Thursday rate for before and after-school care. For preschool, we have weekly rates with two different time slots 8 am-3:30 pm or 7 am-6 pm. We are DES-certified if you need assistance with the payment. A contract is required before your child can stay; payment must be made each Monday.

Lunches:

All lunch orders are due on Thursdays at 2:00 p.m. for the following week. These can be paid for in the classroom or the office.

Fees:

Please keep all before and after-school care, preschool, and supply fees up to date. Also, there are still some activity fees that still need to be paid. This is a yearly fee of \$40 per student and \$20 for each additional sibling. This goes to buy supplies for art, music, PE, and after-school clubs. A supply fee can be paid instead of buying the items from the school supply list. This fee is \$70 per student/per year and should be paid before the first day of school. Please contact the school office if payment arrangements must be made. All fees must be current for your child to participate in clubs.

Dear Families,

Are you looking for a quick and easy way to support our school?

Box Tops for Education has been around for over 25 years, and it really can make a difference.

In fact, the Box Tops program has helped give almost one billion dollars to schools since 1996.

The Box Tops app gives participants the ability to earn for any school across the country with just the touch of a button. Plus, the Box Tops app allows you to search for schools that could use a little extra help, so you can help give students in low-income schools the opportunity to succeed.

HERE'S HOW IT WORKS: Buy participating products and use the Box Tops app to scan your store receipt. The app identifies eligible products and earnings are credited to your designated school online. Even if you're shopping online or doing grocery pickup, you can still submit your digital or email receipt with the Box Tops app and earn. Twice a year, our school gets a check!

See a list of participating products at
[BTFE.COM/PRODUCTS](https://www.btfefund.com/products)

Box Tops earnings really add up, and the more people that participate, the bigger the impact we can make. So let's give our teachers the support they need and give more kids the opportunity to succeed. **Together, we can help make a big difference.**
