A letter from our Principal

Dear Amerischools Family,

As we step into September, we want to take a moment to reflect on the achievements and excitement of August. It was a month filled with milestones—every student successfully completed their benchmarks and underwent vision and hearing screenings. We are proud of their hard work and progress.

"Education is the most powerful weapon which you can use to change the world." – Nelson Mandela

Our commitment to providing a rich and engaging learning experience remains steadfast. This year, our teachers continue to utilize the Beyond textbook framework, and it's wonderful to see how much our students are enjoying and thriving in their studies.

Looking ahead, we are excited to kick off our clubs and tutoring programs during the week of September 9th, running through the week of December 2nd. These opportunities will provide valuable enrichment and support for our students.

We also have several events planned this month and are thrilled to welcome our parents and community into our school. If you're interested in volunteering, please ensure you have your volunteer fingerprint cards. For any assistance or questions, don't hesitate to contact the office.

Thank you for your ongoing support and involvement. Here's to a fantastic start to the school year!

Ms. Bea

Dear Families,

Are you looking for a quick and easy way to support our school?

Box Tops for Education has been around for over 25 years, and it really can make a difference. The Box Tops program has helped give almost one billion dollars to schools since 1996.

The Box Tops app gives participants the ability to earn for any school across the country with just the touch of a button. Plus, the Box Tops app allows you to search for schools that could use a little extra help, so you can help give students in low-income schools the opportunity to succeed.

HERE'S HOW IT WORKS: Buy participating products and use the Box Tops app to scan your store receipt. The app identifies eligible products, and earnings are credited to your designated school online. Even if you're shopping online or doing grocery pickup, you can still submit your digital or email receipt with the Box Tops app and earn. Twice a year, our school gets a check!

Box Tops earnings add up, and the more people that participate, the bigger the impact we can make. So let's give our teachers the support they need and give more kids the opportunity to succeed. **Together, we can help make a big difference.**
