

AMERISCHOOLS ACADEMY UNIFORM GUIDE

FOR THE 2024-2025 SCHOOL YEAR

Dear Parents,

Here is the Uniform Dress Code for the 2024/2025 school year. We were pleased with the responses we received from the parent surveys. This year we will be continuing with a school uniform dress code.

We've made purchasing uniforms a breeze by giving various color and style options. If you want to purchase branded uniforms with our logo, please see the following flyer which will take you directly to our school store. The uniforms will be delivered directly to you.

Please review the attached dress code guidelines with your child to make sure they understand the expectations. Reach out with any questions or concerns. Parental involvement is key to success.

We want to thank all the parents and guardians who filled out the surveys this school year. Together, let's continue to create a positive and inclusive learning environment where distractions are minimized, and student growth takes priority.

Here's to an incredible year ahead!

In Partnership,
AmeriSchools Academy
