A letter from our Principal

Dear AmeriSchools Families,

Spring is here, and we are excited for another month of learning and growth! April is an important time for our students as we begin state testing season. We appreciate your support in ensuring students are present and prepared to do their best.

State Testing: Attendance & Preparation

State testing is an essential part of measuring student progress. It's important that students are in school on time every day, especially on testing days. Here's how you can help set them up for success:

- ✓ Ensure a good night's sleep – Children perform better when they are well-rested.
- ✓ Eat a healthy breakfast – A nutritious meal helps with focus and energy.
- ✓ Arrive on time – Tardiness can cause stress and impact performance.
- ✓ Encourage a positive mindset – Remind your child to do their best and take their time.
- ✓ Limit screen time the night before – A break from screens can improve sleep and concentration.

Your support makes a big difference! Please check with your child's teacher for specific testing dates and details.

As always, thank you for being a part of our AmeriSchools community. We appreciate your partnership in your child's education. Let's make April a great month

Beatriz Prieto,
Principal
