A letter from our Principal

Dear AmeriSchools Families,

As we step into the final month of the school year, our hearts are full of gratitude, pride, and excitement. May is always a special time on campus – filled with celebrations, milestones, and moments that remind us how much our students have grown.

We are incredibly proud of how hard our students have worked throughout the year, especially during state testing. Their determination, focus, and resilience were truly inspiring. Thank you, families, for your continued support, encouragement, and partnership every step of the way.

This month, we have so many fun and memorable events planned to close out the school year with joy. From class parties and promotions to spirit days and special activities – we can't wait to celebrate all the achievements and memories we've made together.

As we look ahead to summer, we want to remind you that Capstone will be open for summer programming. If you are interested in enrolling your child, please contact the front office as soon as possible to reserve your spot.

Thank you again for being such an important part of our school community. It's been a wonderful year, and we're so grateful to have shared it with you and your children.

Beatriz Prieto,
Principal
